### Notes:

Remember that **bicycles are banned**, so plan ahead.

Only the first umpire for the day (at **9:30am**) needs to report to Longbridges; the rest can go straight to their position.

You *may* split these shifts up between people, provided that each person does at least 2 hours, and there is a thorough briefing at handover. **Don't hand over just before a race!**

### Locations of umpires:

1. Bottom bunglines
2. Top bunglines
3. Atop Donnington Bridge
4. Falcon RC
5. Bottom Gut
6. Middle Gut
7. Top Gut and Longbridges
8. Green Bank
9. Univ Boathouse
10. Towpath - BH Island
11. Towpath - top of BH Island
12. Finish
13. On top of a roof at BH Island  
(Map on next page)

Make sure to record all your findings in your event book, and to talk to the head umpire via your red-bibbed counterpart.

**NO DRINKING ALCOHOL**
